## STAINLESS STEEL CARBOY SHELVES

This unique shelf system will adapt to not only the Inter Dyne Systems stainless steel pegboards but also existing acrylic, epoxy, stone or wood pegboards as well. This unit is manufactured from #304 stainless steel with a #4 finish.

Each shelf is manufactured with a rail system on the underside for support. These units, if requested, can also be supplied with an adjustable graduated cylinder racking system. This system adds our "C" and "H" brackets which allows you to customize the rack to your needs. The unit comes 12" or 16" deep to allow for storage.
